## Introduction

The most important part of this Sock Snowman with Rice is that it's so easy to make and no sewing or special skills required. That also means that these are great DIY projects to work on with kids.

We Need:

- white-colored sock
- Rice
- Ribbon or fabric
- Wool thread
- Buttons
- Round Beads
- pom pom
- Scissors
- Glue

### Étape 1 - Fill Your Snowman Body With Rice

We need to fill the sock with rice to shape the snowman and it will have a little weight so it won't tip over easily. Then tie it with wool thread.

---

### Étape 2 - Sock Snowman Structure

I fill the top part of the sock with rice to give it the shape like in the picture.

---

### Étape 3 - Make Hat of Your Sock Snowman

I used extra sock remaining on my doll as the hat. Or you can use a different color to make the hat.

---

### Étape 4 - Attach the Buttons , Nose bead and Fabric

I decorate the Snowman with buttons, beads, and fabric. I used glue to attach them.
